

eONE is an all-electric (EV) version of our very popular ESCAPE ONE unit. The floor plan is different than the normal ONE showcasing a huge back loft, plus a larger kitchen and storage area...amazing livability with many uses, including Airbnb or rental unit, separate guest house or ADU, or a private personal haven. Enjoy great design, soaring ceilings, plus multiple opening windows and an incredible amount of usable space...this may be the best ONE yet!

See <https://www.escapetraveler.net/sale> for eONE units in stock.

Important note: The eONE units are production units we normally have in stock and are not for pre-order. To order a ONE with options, please see [escapetraveler.net](https://www.escapetraveler.net), click on the ONE unit and submit a quote.
