

eVista is an all-electric (EV) ESCAPE with a clean, natural aesthetic. The floor plan offers plenty of open space for all kinds of uses, including Airbnb or rental unit, inspiring office, separate guest house or ADU, or a private personal haven. The dramatic end window wall, plus multiple opening windows, enhances the space with natural light and gives a sense of being connected to the outdoors...this may be the best Vista yet!

See <https://www.escapetraveler.net/sale> for eVista units in stock.

Important note: The eVista units are production units we normally have in stock and are not for pre-order. To order a Vista or Vista Boho with options, please see [escapetraveler.net](https://www.escapetraveler.net), click on the unit you would like and submit a quote.
