

ESCAPE ULTIMATE

Base Price: \$135,200

At over 720 sq. ft., The Ultimate takes tiny home living to the next level. Taller, wider, and fully electric, this two-story design offers 3–4 bedrooms, 1–2 bathrooms, and endless flexibility. The stunning kitchen is loaded with available premium appliances and tons of storage. A built-in laundry center keeps life easy. The first-floor king suite features a massive closet or optional en suite bath, while the main bath wows with an optional walk-in tile shower, stone vanity, and extra storage. Upstairs, the oversized second floor gives you room for bedrooms, an office, a lounge—you name it. Plus, a separate front area perfect for work, play, or extra guests. The Ultimate is as functional as it is beautiful.
